MONTHLY PROGRESS REPORT

Date: 19 February 2026

1. INTERN DETAILS

Intern's Full Name:	Tshwarelo Ndlovu
Programme	WIL
Employer's Name	Ndiwanga Business Consulting
Reporting Period	February

2. EMPLOYER & HOST COMPANY DETAILS

Employer's Name	Ndiwanga Business Consulting
Host Company Name	Vhutambo
Department/Division	*IT*
Mentor Contact Details	*Mr Ntsieni*
Mentor Contact number	*0716466011*

3. SUMMARY OF THE MONTH'S ACTIVITIES

Overall focus/key themes for the month:
During this period, I led the end-to-end lifecycle of a crèche management system, spanning analysis, design, and development. My role encompassed stakeholder engagement, architectural design, technical implementation, and iterative system enhancements.

4. DETAILED ACTIVITIES AND PROJECTS

List the main tasks, projects, or responsibilities undertaken during this reporting month.

- For each, describe:
  - Task/Project Description: What was it?
  - Your Role & Responsibilities: What specifically did you do?
  - Skills Applied/Developed: Which skills (technical, soft, theoretical knowledge) did you use or learn?
  - Progress/Status: What was achieved? (e.g., "Completed initial research," "Drafted social media calendar," "Assisted with client presentation")
  - Challenges Faced & Solutions: Any difficulties encountered and how they were addressed.

Date Range/ Week	**Task Description**	**Your Role & Responsibilities**	**Skills Applied/Developed**	**Progress/Status**	**Challenges & Solutions**
Week 1 (19-23 Jan)	*Onboarding Creches and Requirements gathering*	*Collaborated with key stakeholders to extract and document critical requirements, ensuring the system design aligns with business goals*	*Requirements documentation, Communication.*	*Completed the requirements.*	*Resolved initial ambiguities in requirements by applying standardized documenting guidelines to ensure technical clarity*

Week 2 (26-30 Jan)	*System design and UI/UX development*	*Used tools to design the system wireframes, UI/UX with developers*	*UI/UX Design, Architecture collaboration*	*Agreed and completed the wireframe*	*Ensured full design alignment by performing a comprehensive re-analysis of the core system requirements.*
Week 3 (02-06 Feb)	*System Development*	*Used tools such as netbeans, php etc to develop the wireframe into a system*	*System development through coding*	*Completed after receiving approval*	*Reduced development bugs through a rigorous re-evaluation and refinement of the initial project specifications.*
Week 4 (09-13 Feb)	*System enhancement*	*Strengthened system reliability by using **Windsurf AI** to detect and correct critical errors before they could impact performance.*	*Debugging and technical configuration*	*System functionality and optimization*	*Successfully navigated tool installation complexities by utilizing comprehensive technical walkthroughs.*

5. LEARNING AND DEVELOPMENT

- New Skills Acquired/Enhanced:
  - [UI/UX wireframe design, MVC architecture implementation, System improvement using windsurf.]
  - These skills do contribute to professional growth by strengthening both technical capabilities and business analysis competencies.
- Knowledge Gained:
  - [Improved understanding of system development lifecycle, stakeholder management, software architecture design and structured documentation.]
- Training/Workshops Attended (internal or external):
  - [none.]
- Feedback Received (from supervisor/colleagues):
  - [Constructive criticism was to practice more on the skills.]

6. SELF-ASSESSMENT AND REFLECTION

- Strengths demonstrated this month:
  - [Documentation of requirements and reports]
- Areas for improvement:
  - [Coding skills to move from beginner level to professional level]
- Personal Reflections:
  - [This month strengthened my confidence for conducting meetings with stakeholders.]

7. GOALS FOR THE NEXT MONTH

- Key Objectives/Projects:
  - Enhance system scalability and performance
  - Finalize documentation and prepare for deployment.
- Skills/Knowledge to Focus On:
  - [Advanced MVC implementation

- Database management]
- Support Required:
  - Yes, On the guidance of deployment practices

8. SIGNATURES

I hereby confirm that the monthly report was prepared as a true reflection of the status.

Intern: Tshwarelo Ndlovu

Tshwarelo Ndlovu Date: [19/02/2026]

Direct Mentor (at Host Company): (Review and provide comments/feedback below)

[Supervisor's Name] [Supervisor's Title] Date: [DD Month YYYY]

Supervisor's Comments/Feedback: [***Supervisor to add comments on intern's performance, areas for development, and agreement with the report contents.]***

Employer Project Manager: (Review and provide comments/feedback below)

[Employer Rep's Name] [Employer Rep's Title] Date: [DD Month YYYY]

Employer Rep's Comments/Feedback: [***Employer Rep to add comments on intern's overall progress, alignment with program goals, and any support required.]***

PLEASE NOTE

- Ndiwanga Business Consulting reserves the right to conduct a site visit to verify the interns' report.
- If the information requested above is not attached, or if all the required information is not provided, your report will be regarded as incomplete, and you will be notified.
- A portfolio of evidence should be compiled by the intern and made available for inspection by Ndiwanga Business Consulting/ MICT SETA on the day of the site visit.
- No payment will be made if the report is not submitted
- Reports are due on the 28th of each month
